Authorised Distributor

- Dunlop - A brand you can trust.
- As an authorised distributor of the full Dunlop product range we are committed to offering all of our customers not only the widest range of quality products, but a world class quality service that you would expect from a global brand.
- When purchasing any Dunlop product you can be assured that only materials of the highest quality with full production traceability have been used and produced responsibly by a manufacturer with the expectations and demands of its customers foremost in mind.

Largest Range In Europe

- Dunlop's product range and stock holding is now one of the largest found anywhere in Europe, stocked in the UK and South Africa and available for immediate dispatch or collection.
- Our fully trained, dedicated and friendly staff are waiting to provide you with any help you may need to make your selection.
- If you require specialist advice a Dunlop representative is available, simply contact our sales team and an appointment can be arranged for you.
- You will find many of the world's most prestigious original equipment manufacturers in the automotive, agricultural, construction, industrial and recreational sectors now rely on Dunlop's high quality products for their applications.
